Home Potatoes.

Vesterday John Zurizeiler received ar load of potatoes from the American bottume. There's nothing unusual in that for he deals only in putatous and gots a few carloads every month. He said yesterday that in the fifteen or more years that he has been handing the tubers he never knews time when there were so many utators grown in this section. The enrland which came yester lay was the first carloud of the season. When new puintees first began to come in from the scuth of corne there were a lot of putatoes shipped to Deentur but they came in small lots and the car yesterday and the first of the anson. Zurlaeller says that every year there are more potatoes grown near to lecutur and that they held out this year longer than ever before.
